REPORT

As a part of Prosthodontics Day which is celebrated on 22 January every year, the Department of Prosthodontics crown and bridge, Pandit Deendayal Upadhyay dental college, Solapur organized a continuing dental education program on Crown Craft: Advancing Skills in FPD on 22 February 2024.

The day was started by welcoming the principle, vice-principle and the keynote speaker, Dr. Santosh Dixit followed by the lamp lightening ceremony. The principal Dr. Rajendra Birangane enlightened the audience with his views on the topic after which, the keynote speaker was introduced and the dias was handed over to the speaker. The educational talk covered all the key points that should be considered while preparing the tooth to receive the fixed dental prosthesis. Audio visual aids have an impact on the understanding of the subject. The talk was concluded by showing the audience a video demonstration on tooth preparation.

The department also conducted an E-poster competition following a short break where the first two winners were honored with a trophy and the other participants were given the certificate of participation. Also, the entertaining part of the session was Prosthodontic charades where 5 teams were made and the winning team was awarded with the medal. The day was wrapped up with honouring the speaker.

REPORT

Date- 5th and 6th Feb 24

Venue-Pandit Deendayal Upadhyay Dental College, Solapur

Basic Life Support, or BLS, generally refers to a level of medical care which can be provided by trained medical personnel, including emergency medical technicians, paramedics, and by qualified bystanders for victims of life-threatening illnesses or injuries until they can be given full medical care at a hospital. Pandit Deendayal Upadhyay Dental College, Solapur organized 2 day Basic Life Support session and Art of living lecture on 05.02.23 & 06.02.23 from 10am to 1pm. Around 60 participants including non-teaching staff working in college actively participated and updated their knowledge on BLS, with appropriate hands on skills.

The sessions were started at 9 .00am, in Lecture Hall 1 with introductory session by Dr. Pusha Agrawal, Vice Principal welcomed the resource persons and the delegates. The delegates were divided into two teams and team 1 had sessions on BLS, Foreign Body removal for infants and children in LT 3 class room. At the same time team 2 had sessions on adult CPR and Foreign Body Aspiration Removal.

The Art of living lecture was on 6th February 2024 by Dr. Pushpa Agarwal. She told the importance of meditation and happiness in the life.

An implant hands-on workshop was conducted on 20th and 21st March 2024 for post-graduates, interns and final year students. Our guest speaker, Dr. Kaustubh S Thakare, Professor, VYWS dental college, Amaravati, enlightened the students regarding the basics of implantology, surgical and prosthetic aspect as well as armamentarium related to implant. The lecture series was followed by Hands- on by implant placement on the dummy cast model. A quiz competition was conducted for interns and final year.

The program was concluded with prize distribution to all the winners of rangoli, reel, slogan and quiz competition. The plaques provided by ISP were presented to Dr. Birangane, Principal and Dr. Mona Shah, HOD Department of Periodontics. The certificates were provided to all the volunteers who contributed to the success of this drive.

REPORT

Oral Medicine and Radiology Day which was celebrated on 9th and 10th May 2024, by the Department of Oral Medicine and Radiology, Pandit Deendayal Upadhyay Dental College, Solapur.

The day was started by welcoming the Principal, Vice-Principal and the keynote speaker, Dr. Mahendra Patait followed by the lamp lightening ceremony with beautiful song rendition. The Principal Dr. Rajendra Birangane enlightened the audience with his views on the topic after which, Felicitation was carried out. Then keynote speaker Dr. Mahendra Patait was introduced and the Dias was handed over to the speaker. The educational talk covered all the key points regarding cone beam computed tomography. Audio visual aids have an impact on the understanding of the subject. The talk was concluded by showing various Case Report with CBCT expertise.

The department also conducted an E-poster, photography, reel, and slogan competition following a short break where the first two winners were honored with the certificate of participation. After Lunch Break Hands-on course on CBCT was conducted by Dr. Mahendra Patait followed by Certificate distribution was done.

Vote of Thanks was given by Dr. Eesha and this concluded the program.
