7/1/80

The institution provides inclusive environment with respect to tolerance and harmony towards cultural, regional, linguistic, communal socio-economic and other diversities

1. Different orientation programs are organized every year to sensitize the students towards these diversities, their expected behaviour with faculty, colleagues and juniors and moral and ethical responsibilities towards patients. In these program students are made aware that discriminatory and harassing behaviour is not encouraged in the campus and clear definition of what actions are and are not appropriate is conveyed to them through the book on code of conduct.

2. The students are permitted to celebrate the national festivals such as Kojagiri, Navratri, Diwali, Ganesh Chaturthi, Datta Jayanti, Holi, Christmas, Eid etc. which provides them a platform to mingle freely forgetting their caste and creed.

3. Women empowerment programs have been arranged in our college such as personal grooming, stree Shakti, art of living etc.

4. Scholarships for underprivileged students which are provided by the government of Maharashtra are sourced and processed by our institution.

5. The institution also organizes camps that cater to different strata of the society. This enables our students to learn and understand the mindset of people from different backgrounds. School camps are also organized for oral screening of children so that preventive and interceptive dental treatment can be provided.

6. Annual/ cultural programs along with cultural events on special occasions such as "Glimpses of Tradition" a special cultural program arranged during the NAAC Peer Team Visit, are arranged in our institution which includes the acts, performance and dances and songs from all the religions and cultural backgrounds.

This nurtures equality, harmony and inclusivity among students.
